## Invitation from convener

**LOC Chair**  
Joong Hoon Kim

**Secretary General**  
Chulsang Yoo

School of Civil, Environmental and Architectural Engineering,  
Korea University

It is with great pleasure that we invite you to participate in the 6th Asia Pacific Association of Hydrology and Water Resources Conference to be held on 19-21 August 2013 in Seoul, South Korea. The location of the conference will be the Korea University, Anam campus, in Seoul.

Hydrologists, water scientists, engineers and other professionals will be invited not only from the Asia and Pacific Region but also from the other regions around the globe. This international conference is also an opportunity for Korean hydrology and water professionals to communicate and share their knowledge and experiences with their foreign counterparts.

## Themes

The general conference theme "Climate Change and Water Security – APHW 2013" is devoted to the focal area as follows:

- Climate Change Assessment and Water Management
- Hydrology for Sustainability
- Integrated Water Resources Management
- Water-related Disasters and Hydrological Change
- Water Policy and Institutional Issues

## Statistics

Total number of abstracts submitted: **214**  
(Oral 146 and Poster 68)

Countries of participants: Total **16** Countries  
(Australia, Bangladesh, Canada, China, India, Indonesia, Iran, Italy, Japan, Korea, Philippines, Scotland UK, Singapore, Thailand, US, Vietnam)
